DR. COLBY'S
ANTI-COSTIVE & TONIC
PILLS.

A CANADIAN REMEDY
For Costiveness, Irregularity and Debility of the
Digestive Organs, Inducing Headache, Consti-
tution, Nervousness, General Prostration of the
Mind and Body, Paralysis, &c.

A moment's reflection ought to convince a sensible man
of the folly and danger of constantly dosing with Cat-
harctic Medicines. The practice is pernicious and suicidal.
An experience of forty years has taught me that the
constantly increasing evils of indigestion are fearfully
aggravated by the too free use of Cathartics. The
American people are fast becoming a nation of dyspep-
tics by their artificial modes of life. Drastic Cathartics
increase the irritability, and prostrate the strength of the
digestive organs.
The Pills now offered are especially designed to allay
this irritability, and at the same time to invigorate and
strengthen all the functions of digestion, while they are
gently laxative. They are anodyne, tonic and laxative.
They are so mild and invigorating that one is not remind-
ed by any disagreeable effects that he has taken medicine.
Business Men, Students, Professional Men, Females, and
all persons leading a confined or sedentary life, should
try them.
The undersigned Physicians, cheerfully certify to the
high professional standing of Dr. Colby of Stanstead, one of
the oldest and best Physicians, and to the excellent
qualities of his "Anti-Costive and Tonic Pills," which
we have used in our practice, and highly approve.

THE
ONLY DISCOVERY
WORTHY OF ANY CONFIDENCE FOR
Restoring
THE BALD AND GRAY!

Many, since the great discovery of Prof. Wood, have
attempted not only to imitate his restorative, but pro-
ceed to have discovered something that would produce
results identical; but they have all come and gone,
being carried away by the wonderful results of Prof.
Wood's preparation, and have been forced to leave the
field to his resolute avenger. Read the following—
Bath, Maine, April 18th 1860

Prof. O. J. Wood & Co. Gents: The letter I wrote you
in 1858, concerning your valuable Hair Restorative, of
which you have published in this vicinity and else-
where, has given rise to numerous inquiries touching
the facts in the case. The inquiries are, first, is it a fact
of my habitation and name, as stated in the communi-
cation; second, is it true of all therein contained;
third does my hair still continue to be in good order
and of natural color? To all I can and will answer
invariably yes. My hair is even better than in any
stage of my life for forty years past, more soft, thickly
and better colored; the same is true of my whiskers,
and the only cause why it is not generally true is that
the substance is washed off by frequent ablution of the
face, when it is care were used by wiping the face, in-
stead of washing it, the same result will follow as the hair.
I have been in the receipt of a
great number of letters from all parts of New England,
asking me if my hair still continues to be good; as
there is so much fraud in the manufacture and sale of
various compounds as well as this, it has no doubt been
basely imitated and been used, not only without any
good but to absolute injury. I have not used any of
your Restorative of any account for some months, and
my hair is as good as ever, and hundreds have ex-
amined it with surprise, as I am now 61 years old and not
a gray hair in my head or on my face; and to prove
this fact, I enclose a lock of my hair, taken off the
last week. I received your favor of two quart bottles
last summer for which I am very grateful: I gave it
to my friends and thereby induced them to try it,
many were sceptical until after trial, and then purchas-
ed and used it with universal success. I will ask as a
favor, that you send me a test by which I can discover
fraud in the Restorative, sold by many. I fear without
authority from you. A pure article will insure success
and I believe where good effects do not follow the fail-
ure is caused by the impure article which curses the in-
ventor of the good. I deem it my duty as heretofore
to keep you apprised of continued effect on my hair, as
I am old and wish to enquire my unshaken opinion of its
valuable results. I remain, dear Sir, yours,
A. C. RAYMOND.

Aaron, Run Ky., Nov. 30 1858
Prof. O. J. Wood, Dear Sir: I have been carefully
doing you a great injustice not to make known to the
world, the wonderful, and as the unexpected result
I have experienced from using one bottle of your Hair
Restorative. After using every kind of Restoratives ex-
cepting yours, I finally found my hair falling out, and
a destitute of hair. I was highly induced to try a bottle of
your Hair Restorative. Now candor and justice compel
me to announce to whoever may read this, that I now
possess a new and beautiful head of hair, which I pro-
pound richer and handsomer than the original was.
I will therefore take occasion to recommend this invalu-
able remedy to all who may feel the necessity of it.
Respectfully, A. C. RAYMOND, Brockton, Mass.

P. S.—My testimonial of my approbation for your
valuable medicine (as you are aware of) is unsolicited;
but if you think it worthy a place among the rest, insert
it if you wish; if not destroy and say nothing.

The Restorative is put up in bottles of three sizes, viz
large medium, and small; the small holds 4 a pint and
retails for one dollar per bottle; the medium holds at
least twenty per cent. more in proportion than the small,
retails for two dollars per bottle; the large holds
quart, 40 per cent. more in proportion and retails for \$3
a bottle. O. J. WOOD & CO., Proprietors, 441 Broad-

Since the opening of this vast and commodious Hotel,
in 1854, it has been the single endeavor of the proprie-
tors to make it the most sumptuous, convenient and com-
fortable home for the citizen and stranger on this side the
Atlantic. And whatever has seemed likely to administer
to the comfort of its guests they have endeavored, with-
out regard to cost, to provide, and to combine all the el-
ements of individual and social enjoyment which modern
art has invented, and modern taste approve; and the
patronage which it has commanded during the past six
years is a gratifying proof that their efforts have been ap-
preciated.

quart bottles. The quart bottles are much the
cheapest.

Mrs. Wilson's Hair Regenerator and
Hair Dressing.

Please read a few certificates from the following reliable
and well known people.

Messrs. HENRY P. WILSON & Co.—My wife is now
using your Regenerator for the hair, and pronounces it
far superior to anything she ever used for the hair. It is
easily applied, does not soil in the least—has no disagree-
able odor, increases the growth of hair, prevents it fall-
ing off, and often cures the headache. I forward you
this certificate unsolicited, because I think an article
that will do what your Hair Regenerator will, should be
widely known. I think it is the best article for the hair
now in use. Respectfully, &c.,
REV. JACOB STEVENS, Newburyport, Ms.

"I like the Hair Regenerator and Dressing very
much." REV. GEO. W. WOODING, Hartford, Ct.

"Unhesitatingly pronounce it an invaluable ar-
ticle from the effect on my own head." S. A. HILL, wife of Rev. Henry Hill, Manchester, N. H.

"It rendered my hair soft and glossy." MRS. T. FARRAR, Saratoga Springs, N. Y.

"I feel confident that it operates not as a dye, but
to restore the roots to their natural healthy state." REV. E. M. KELLOGG, Nashua, N. H.

"I most cheerfully recommend it to all persons." REV. C. RUSSELL, Littleton, N. H.

Messrs. HENRY P. WILSON & Co.: I have no hesita-
tion in saying, in my opinion, Mrs. Wilson's Hair Regenera-
tor and Hair Dressing are the best hair preparations now
in use. I shall continue to use them with pleasure.
REV. H. H. HARTWELL, Lawrence, Mass.

November.
Messrs. HENRY P. WILSON & Co.: I have used your
Hair Regenerator and Hair Dressing, and have received
great benefit from them. I deem the articles worthy of
high commendation, and cheerfully recommend them to
all who want to restore gray hair to its original color, or
to any who are troubled with dandruff, or a disagreeable
itching of the head, or humors, or to those whose hair is
falling from the head.
REV. G. W. H. CLARK, Great Falls, N. H.

Messrs. HENRY P. WILSON & Co.: I deem Mrs. Wil-
son's Hair Regenerator and Hair Dressing the standard
articles of all hair preparations. I have, in many in-
stances, known them to restore the hair where it had
fallen off, remove dandruff, restore the hair to its original
color, cure entirely the most painful headaches—and in
some instances most serious humors. Personally, I have
been a sharer in several of these benefits.
REV. HENRY HILL, Manchester, N. H.

MRS. WILSON'S
COCOA-NUT OIL
HAIR DRESSING.

Mrs. Wilson's Hair Dressing is put up in large bottles,
and retails for 37 cts. per bottle, and for dressing the
hair of any person, young or old, there is not its equal in
the world. It will make the hair everything you wish it
to be, and moreover, it has a perfume that is infinitely
superior to any of the fashionable extracts, either foreign
or American, which alone should entitle it to a place on
every lady's toilet table.

Use the Regenerator before retiring at night, and
in the morning apply a little of the Dressing, and your
hair will be even more lifelike in color and beauty.
Use nothing on your hair but these preparations, and
use these according to directions, and we warrant you
a good healthy head of hair.

LADIES GAITER BOOTS
A little glove stir up your heart as tides stir up the ocean.
A snow-white muslin, when it fits, makes any lady a coquette
notion
All sorts of lady fancies thrill my feelings, as they'd order.
But little female gaiter boots are death and nothing
shorter!

And just to put you on your guard,
I'll give you, short and brief,
A small table experience
Which filled my heart with grief:
Last summer, at the Pavilion Hotel,
I stopped a week or more,
And marked two "boot-ees" every morn
Before my neighbor's door:
Two boots with patent leather tips,
Two boots which seemed to say,
"An angel trots around in us,"
They stole my heart away;
And often in my nightly dreams
They swept before my face,
A lady growing out of them
As flowers grow from a vase.

But ah!
